A business mentoring regional committee is created in the Vallée-du-Haut Saint-Laurent

(Salaberry-de-Valleyfield – April 19, 2010) It's in the offices of the SADC du Suroît-Sud that the business mentoring regional committee was recently officially launched with the naming of its members of the Board.

Each of the three (3) units for the mentoring of area entrepreneurs, that is the SADC du Suroît-Sud, the CAE Haute-Montérégie and the Réseaux Emploi Entrepreneurship, will be represented by the coordinators of the program as well as by two accredited mentors from each unit. The Vallée-du-Haut-Saint-Laurent regional mentoring committee is a member of the Réseau M network of the Fondation de l'entrepreneurship. The main objective of the network is to speed up the development of entrepreneurs in order to increase the rate of survival and contribute to the growth of their business. The role of the regional committee is to ensure and promote a uniform business mentoring service.

The organization's first president-elect is Mr. Jean-Claude Marchand. Mr. Marchand is a mentor in the Roussillon business mentoring unit and a retired businessman. He lives in Ville de Léry.

The three local business mentoring units making up the regional committee are:
